Dear Sixth Grade Parent/Guardian,

I am writing to let you know about a change in the sixth grade for this coming year. Our enrollment in grade 6 has increased this summer, and we have recently hired a teacher to create a third section.

Ms. Jessie Clark has accepted the elementary teaching position. She will be teaching Science and Social Studies for grade six this coming year. She is unfortunately unable to start with us on day one, however Mrs. McKernon and Mrs. Keyes, two retired Hoosic Valley teachers have agreed to help out until Ms. Clark can start. Mrs. LaCourse will teach Math as planned and Mrs. Baranowski will teach ELA as planned.

As a result of this change, we will be moving to three homerooms, and three student groups cycling through the three teachers for the four main core classes. Homeroom assignments for some students have changed. If your child's homeroom has changed, you will receive an e-mail from the school with the new homeroom assignment.

We will provide you with further details regarding the implications of this addition at our Open House on September 14th at 6:30 pm.

I hope everyone has had a great summer; we are looking forward to seeing you next week.

Mark Foti
K-6 Principal
