

Change for Autism!

April 12 - April 30, 2018

We are joining together to raise awareness and funds to help support families that are touched by autism.

Dear HV parents and students: Last year your generous donations added up to 437 dollars and 15 cents! Please search your house for any spare change. For the rest of April, each classroom will have a "Change for Autism" jar to collect all the change. Let's join together for this cause. Thank you!

Your donation to the Autism Society will help support autism education, awareness, advocacy, research, and most importantly, enable the Autism Society to assist families living with autism

The class that raises the most money will win an ice cream or pizza party!

For more information contact bmcqueeney@hoosicvalley.k12.ny.us. The Autism Society's National Contact Center at 800-3-AUTISM (800-328-8476) is also available to provide autism information, resources, and support,
