March 26th-30th

WHAT is Screen-Free Week?

Screen-Free Week is an annual celebration when schools, families, and community groups pledge to spend a week without digital entertainment. Instead of watching TV, surfing the web, or playing video games, they read, play, think, create, get physically active, and spend more time with friends and family.

SCHOOL EVENTS

Monday 3/26 : Stories in the Library @ 6:30pm

Tonight our Hoosic Valley faculty will share stories in the library. Come in your pajamas, bring a blanket or pillow and get ready for a story time that you will remember for years to come!

Tuesday 3/27: BINGO @ 6:30pm

Easy to use game boards and fun prizes make this a great family night event. Come try your luck and win some cool prizes!

Wednesday 3/28: Rock Painting @ 6:30pm

Come paint a rock that is uniquely yours. We will read the book Only One You and then students can paint a rock to represent that we are all unique but together we make a masterpiece! The rocks will be on display for all to see. *Be sure to wear a smock or old clothing*

**These are family events; therefore all children
must be accompanied and supervised by an adult!**
