LEARNING FAIR

Hoosic Valley's Annual Learning Fair took place this past Tuesday May 15th in the Elementary School old Gym. Students in grades 4-6 displayed projects that showcased something that they recently learned, which inspires them. We had many interesting projects which illustrated our students' scientific knowledge. You can see pictures by following the link below.

Thanks to the **PTO** for organizing the event and for the T--Shirts that all participants received!

SAFETY DRILLS

We practiced an unannounced lockdown drill today, in conjunction with The Rensselaer County Sheriff's Department, and New York State Police. This drill was done simultaneously in both buildings, and we received excellent feedback from the Deputies about our procedures and our implementation of them.

6TH GRADE TRIP TO CHINGACHGOOK

Our sixth graders spent Thursday and Friday at Camp Chingachgook, on Lake George for their annual Students learned about wetlands and stream ecology, and had the opportunity to canoe and rock climb. The weather cooperated, and as usually happens at Chingachgook, the students had an exciting time. Keep an eye out on our website for pictures from the trip!
