Thanks!

During our parent teacher conferences yesterday, the teachers were fortunate to have a huge spread of food supplied by many faithful PTO parents. Teachers were thrilled to be so well fed, and taken care of on what turns out to be a long day for them. Thanks to all who helped feed our teachers!

Report Cards

Report Cards were issued today for 1st - 6th graders. Parents please sign the sheet and return to your child's teacher.

Reminder

To Parents: to minimize disruptions to the classrooms, sending it a written note is required for an early pick up. This way the teachers know in advance and we will not have to disturb the classrooms.
