

Weekly Happenings at Hoosic Valley Elementary School

Lockdown Practice at lunch....

Tomorrow, Friday, we will be practicing our procedures for lockdown drill in the cafeteria. Annually, we remind students about how to proceed should we need to lock down the building during a time when they are at lunch. Deputy Russo, our DARE officer, and a deputy with the Rensselaer County Sheriff's Department will be assisting with the drills, which will occur during the students scheduled lunch period.

More Safety Training...

After school on Friday, Deputy Russo will provide additional guidance regarding lockdown drills to all faculty and staff. Thanks as always to Deputy Russo for his work in our district, with our students and staff
