Dear Parents and Guardians:

**On Wednesday, November 2<sup>nd</sup>, the Elementary School and the Jr. /Sr. High School will conduct a lockdown drill.** Questar Health & Safety personnel and members of law enforcement will be on campus to assist with the drills in each building. In addition to assisting with the drills, these agencies assess our safety procedures and provide us with feedback.

**There will be an unannounced lockdown drill within the two weeks following the November 2<sup>nd</sup> drill.**

**On Thursday, November 10<sup>th</sup>, the District will conduct an Emergency Evacuation Drill. As part of the drill, students will go home 15 minutes early on this date.**

Safety is always a priority. Thank you for your continued support as these drills take place.

Sincerely,

Amy V. Goodell  
Superintendent of Schools
