Dear Parents and Guardians,

On Tuesday, October 24th we will practice lock down drills in the Elementary School and the Junior/Senior High School. In addition to the announced drill on October 24th, there will be three forthcoming unannounced lock down drills throughout the school year. Questar Health & Safety Specialist and local law enforcement assist us with the drills in each school. Following the drills, law enforcement and safety specialists debrief with administration and analyze our procedures for optimal safety.

In addition to lock down drills, there will be other safety drills throughout the year such as: fire drills, hold- in- place, evacuation, and shelter-in-place.

Safety drills and procedures are important to practice. If you have any questions or concerns, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Amy V. Goodell', with a long, sweeping flourish extending to the right.
