Varsity Volleyball

Coach Rogers

The Varsity Girls Volleyball team completed a successful 2016 season as **Wasaren League Co-Champions** with record of 11-1. Their impressive overall record of 14 wins and 5 losses was true reflection of the team's dedication and hard work. After qualifying for sectionals as the 6th seed, they defeated Fonda to move into the quarterfinals where they looked strong and almost upset the 3rd seed. The team finished their season on a high note, even with this tough sectional loss, as they played their best competing with a very challenging opponent.

Camille Coyne was named to the Wasaren League first team and received an MVP award at the Lake George Tournament. Helena Leece was named to the Wasaren League second team.

This year the team took early start on their fundraising for the 2016 Power of Pink Tournament. Their fundraising efforts early in the season allowed them to more than double their donation from last year. Prior to competing in the 2016 Power of Pink Tournament the girls in the HV volleyball program raised \$1,450 to donate to the American Cancer Society.

JV Volleyball

Coach James Zeger

The JV volleyball team had a very successful season. We finished with an overall record of 11-6. The girls worked hard all season and learned to play together as a team and improved their individual skills. We had the opportunity this season to participate in the Power of Pink tournament in Queensberry, which was a good experience for the team to play against some of the larger schools in the area. Thank you to coach Rogers for running a great volleyball program, and thank you to all the parents for your continued support. Great season!

Most Improved Player Award: Rebecca Whitney

Sportsmanship Award : Emily Durkee

Modified Girls Volleyball - Coach C. Chapko, Coach LaCourse

This year's modified volleyball players were by far the tallest and strongest teams we have ever had the privilege of coaching. The two teams practiced together to build off each others' strengths, and they scrimmaged often to learn the nuances of the sport. Both teams ran a 4-2 offense. No other school in the league even attempts such an offense.

The A-team had a fantastic season with a record of 11-1. Their focus was on transitioning from an offensive attack to an aggressive defensive block. Emaleigh Peckham and Anna Jensen were high servers this season.

The B-team's record was also 11-1. They mastered bump-set-spike rallies where the receivers passed the ball to our setters so they could feed our hungry hitters: Abbey Peckham and Autumn Wilson were the high servers

The athletes showed measurable improvement during the season, and we were proud to see them consistently strive for the shared team play. Best of luck to the 8th graders who will be chosen to play JV next year, and we can't wait for our returning and new athletes next year!

□ Co-captains

2016 Varsity Golf

Coach Chapko

The 2016 Varsity Golf Team was very young this year. Each team member continued to develop and improve throughout the season. Brett Norman won a number of matches and qualified to compete in the Class C Sectionals at the Eagle Crest Country Club.

The team finished the season on a positive note with a win over Waterford.

Team Members

Nick Marpe - 7th Grade
Oliver Eckler - 8th Grade
Nolan Rafferty - 8th Grade
Alex Salisbury - 8th Grade
Greg Thompson - 8th Grade
Brandon Watkins - 8th Grade
Bailey Read - 9th Grade
Justin Beaudoin - 9th Grade
Mitchel Jones - 9th Grade
Brett Norman - 11th Grade

Varsity Cross Country

Coach Forbes

This year's addition of both the girls' and boys' cross country showed a nice blend of experience and youth with good numbers on both teams. Competing in the Wasaren League and Class C for Sectionals the teams showed their toughness in overcoming a number of aches and pains. While the sport may not gain much attention within the school they are respected by the other teams in the league and section for their performances in both dual meets and invitationals.

The girls finished 3rd in the League for Duals and at the League Championship Meet, 1st in the Rensselaer County Championship Meet and 3rd in the Class C Sectionals. Individual honors were gained by Carrie Burnell, who was named a Wasaren league All Star, was the individual winner of the County Meet, and qualified for the New York State Championship Meet next weekend in Binghamton. Rebecca Viall capped her strong year by earning a spot on the All Star Team.

The boys finished 5th in the League Championship Meet, 3rd at The County Meet and 4th at Sectionals. Ben Corey and Matt Rose both earned spots on the Wasaren League All Star Teams.

Most Improved Awards: Riliegh Ham and Ben Corey

Sportsmanship Awards: Kat Rice and Derek Cipolla

Varsity Football

Coach Porcelli

Asst. Coach Smith

Our Varsity football team enjoyed another successful season. The team finished undefeated in the northern division. This is the first team ever in the history of Hoosic Valley to win a divisional title. For 4 weeks during the season we were ranked 3rd in the state. Even though we didn't achieve our ultimate goal, we achieved our goal of being Northern division champions and a very respectable 7-2 record. This year was a year of firsts. Not only was it our first divisional championship but we celebrated 2 home playoff games which has never been

attained before. On a personal note, Tom Madigan ended his high school football career totaling 3,573 yards with 57 touchdowns and led all of section 2 with 164 points scored, which are new school records. I want to personally thank all of the seniors for all of their hard work for the past 4 seasons. Thanks to Frank Adams, Jon Culligan, Jared Faden, Tom Madigan, Nick Napoli, Kyle Norton, Nate Paulo, Ryan Rifenburg, Isaac Sanchez, Michael Schoonmaker, Bryce Stoddard, and David Toma as I am appreciative of their commitment to excellence. You truly were ALL IN!!

JV FOOTBALL

Coach Madigan

The 2016 HV JV Football team was very successful in many ways. First of all they played some great football in all 7 of our games. Every player had great moments where they made great plays whether it was a big hit or a great tackle on defense, or great blocks, runs or throws on offense. These are the games where varsity talent is groomed and developed. And develop they did. Many of these players will find their way onto the varsity field next season, their time has come. We were fortunate to have some first time football players join the family, they embraced football and fit in very nicely. We welcome any and all students that may have interest in joining the Hoosic Valley Football Family!

An extremely important job for JV football players is their role as the scout team that went against the varsity every day in practice. Day in and day out, getting slammed by varsity players, having to "CRAB" on their hands and knees, and getting run over by "THE WEDGE". Especially when the weather is cold and wet, it can't be much fun to get knocked around by the varsity team but they did it and did a great job at that!

As far as teams go, this was a great group that enjoyed the bus rides, when the bus isn't dying 8 times on the way to Corinth. For the most part they all deserve sportsmanship awards because while they really laid the wood, blocking and tackling, then got up and went to their huddle. No nonsense, no trash talk, respectful, hard nose football. That's all coach can ask for, thanks boys.

Sportsmanship award: Aaron Cassella

Most improved player: Colby Batchelder

Modified Football

Coach Nelson

The 2016 Modified Football Team ended the season 6-1, with 4 shut out wins. The boys played as team throughout the season with each boy exceeding expectations to make the entire team successful. It was my personal honor to be a part of this school's growing football program and to help the boys become better football players and young men. We talk about the team being a family, and I felt that feeling almost immediately and I will be eternally grateful for this experience. Thank you for all your hard work and sacrifice and good luck in the future. Remember boys, "today is the first day of the rest of your lives", make the most of it and never give up. GO INDIANS!!!

Most Improved: James Czub Jr

Sportsmanship: Ayden Barber

Varsity Girls' Soccer

Coach Beecroft

The 2016 Girls Varsity Soccer team finished the year with a record of 6-12-1. Their record is deceiving and it is not a direct indication of how they played. They were a competitive and resilient group of young ladies that never gave up. At times they were out played in a few of our games but we played with emotion and intensity

Throughout the year we had some ups and downs and gave of the other teams something to think about for next year. Hopefully a bigger step will be taken next year.

There is a solid nucleus of players returning and a great crop of players coming up from the J.V. program. It looks like it will be a team that everyone is going to have to pay attention to next year.

A special thank you goes out to my players for their loyalty and overall commitment for never giving up the ship but instead giving everything they had to make each game a respectably played game. To my seniors, I wish you the best of luck in your future endeavors. And also to the parents who always make Senior Day a special one.

Varsity Boys' Soccer

Coach Bugbee

The 2016 Varsity Soccer season was a year of development and change. With 8 seniors leading the team we began a quest to be a competitive, positive, and ever changing team. We finished the season with a 1-11-4 record. Fighting to improve every game, we developed our skills and knowledge of the sport. The memories that were made are irreplaceable. To our seniors we wish you luck in whatever your future holds. Congratulations to Brad McGreevy on being chosen for First Team All Star and to Dale Maxon, Isaac Carlo, and Jake Cavert for receiving Honorable Mention.

Thanks for the Memories--- Coach Bugbee

Most Improved ---- Robert Passineau
Sportsmanship Award--- Brad McGreevy

JV Boys' Soccer

The JV Boys soccer team grew a lot this season. Although their record may not necessarily reflect how well they played, every player on the team developed better skills and grew as a athlete. The boys worked hard everyday, learned how to overcome what at times seemed like overwhelming obstacles and by the end of the season learned to play as a team. I am extremely proud of them and look forward to watching their varsity successes in the future!

Modified Soccer

Coach: Dan Calhoun

Coach Calhoun would like to congratulate the members of the Modified Boys' soccer team for their fine effort this year.

The team was led by 8th graders Matt Rowe, Colin Ratelle, Ethan Calhoun and Kyle Senecal, and 7th graders Colin O'Brien, Tom Rice, Jack Wiley, Jack Hallam, Logan Maleady and John Merrifield.

Though often the team played short handed, their never give up attitude was noticed by all and led to many close games. The effort they showed will certainly add to their bright futures as Hoosic Valley soccer players.

Coach Calhoun would like to thank the team for their effort and wishes them the best of luck in the future.
