June 2, 2017

Dear Parent/Guardians of 7th & 8th Graders,

The end of the school year is fast approaching. Enclosed is important information and testing dates.

In order to make the school as safe as possible and to adhere to the New York State Education Department (NYSED) guidelines during exams, we will be continuing the safety and security plans for finals and regents exams. All electronic devices will be collected in the testing site by the testing proctor until the student is dismissed from their exam. All backpacks, pocketbooks, etc. must be left in a location designated by the testing site proctor. It is recommended that non-essential items and valuables be left at home.

The last day of **classes** for seventh and eighth grade students will be Monday, June 12th. The final exam schedule for seventh and eighth graders is on the reverse side of this letter.

Students are to report directly to their testing site, not to their homerooms.

There will be a bus at 11:20 a.m. to take those students home who are done with testing.

Accelerated eighth grade students need to take the Algebra I CC Regents on Tuesday, June 13th from 12:00 p.m. to 3:00 p.m. and the Earth Science Regents on Thursday, June 15th from 12:00 p.m. – 3:00 p.m..

Starting on Tuesday, June 13th, bus transportation will be at the regular scheduled time; buses will leave school at 11:20 a.m. each day in addition to the regularly scheduled PM dismissal and late buses. Students with afternoon exams have two (2) options for transportation: take the bus to school in the morning and wait in the cafeteria until their PM exam or provide their own transportation.

See the testing schedule for grades 7 & 8 on the reverse side of this memo.

Tuesday, June 13th

Science 7	8:00 am – 9:35 am
Math 7	9:40 am – 11:15 am
Science 8	8:00 am - 9:35 am
