

HIGH SCHOOL SKI CLUB

Who Can Join?

- Students in grades 7-12 may participate.

Where Do We Go And When Do We Go?

- We go every Wednesday beginning January 4, 2017. The program runs for six weeks every Wednesday (1/4, 1/11, 1/18, 1/25, 2/1, 2/8) at Willard Mountain. We leave school around 2:45 pm and return to school about 7:45 pm. Parents have the option of picking up their child at the mountain as long as they sign them out on the attendance list and arrive before 7:15 pm.
- Students who have to stay 13th period may ride up to the mountain with the elementary students. Their bus leaves around 3:15.

How Much Does It Cost?

- The following prices are in effect for this year:

	Before 11/25	After 11/25
Lift and Lesson	\$130.00	\$150.00
Lift, Lesson & Ski/Snowboard Rental	\$165.00	\$185.00

What About Lessons?

- Lessons are available for club members. They are part of the package and you are paying for them anyway. However it is not mandatory for you to attend them. Skiers who want to take lessons will be placed in lesson groups according to their ability by Ski School representatives on the first night of the program.

What If I Own My Equipment?

- Members who will be renting equipment from Willard Mountain will need to visit Willard before our first trip on January 4th to be fitted for their rental equipment. All members should also go to Willard to have their photo taken for their program pass before January 4th.
- Members who own their own equipment must also go to Willard to have their photo taken for their program pass. All equipment must be brought to school and placed in the small bus in the Business Office parking lot before 2:00pm each Wednesday. Members may NOT bring equipment to school on the school bus.
- Members riding home from Willard on the school bus must put their equipment in the small bus at the end of the night.

Is There Food Available At The Mountain?

- Food is available at the cafeteria. Members may bring money each week or purchase a Meal Ticket Plan for **\$48.00**, which includes an entree, beverage, and dessert each week. A chaperone passes out the meal tickets to members each week when they are ready for dinner. These tickets are collected as the member exits the cafeteria. **Circle** the meal plan section on the registration form and add \$48.00 to your program fee if you wish to purchase a meal ticket. Please also clearly write the words **MEALPLAN** in the memo section of your check.

What Else Do I Need To Know?

- All program members enjoy **FREE** lift privileges on their program's day and in their time slot (excluding holiday weeks) for the entire season. If there is a school designated "snow day" on your program's day, participants are welcome to come up and ski or ride, but no lesson is included and rentals are \$8.00. There is no transportation to or from school on a snow day.
- **All** school rules as listed in the student handbook apply to students in ski club. Students found violating school rules while up at Willard run the risk of losing their pass for the season.
- Students may be permanently removed from ski club for violations of school rules as well as for any rude or disrespectful behavior, on or off the mountain. This includes smoking. In such situations, refunds will be at the discretion of the Willard Mountain staff.
- Students riding up on the bus may **NOT** ride home with other students. **ONLY** parents may sign out their children.
- Ski club members must have a note if they are being signed out and picked up by an adult other than one of their parents. **That adult must be listed on the member information form.**
- Juniors and seniors planning on driving back and forth from the mountain must fill out the additional permission form signed by a parent. They also have to check in with Mrs. Schiller while at the mountain.

What If I Still Have Questions?

- Students or parents who have questions can email Mrs. Schiller at jschiller@hoosicvalley.k12.ny.us. You can also call Mrs. Schiller at school. Her number is 753-4491 ext 5102.

What Do I Have To Do To Join?

- Fill out the group registration form from Willard and the Emergency Contact Form. Juniors and Seniors should also fill out the permission to drive if you are planning to do so. **Make out your check** payable to **Willard Mountain** (don't forget to include the cost of the meal ticket plan if you want to participate in the plan). Hand everything into the **main office** in a sealed envelope ASAP.

WARNING TO SKIERS AND SNOWBOARDERS: Downhill skiing, as other sports, contains inherent risks, including but not limited to the risk of personal injury, including catastrophic injury or death or property damage, which may be caused by variations in terrain or weather conditions or surface or sub-surface snow, ice, bare spots or areas of thin cover, moguls, ruts, bumps or other persons using the facilities; or rocks, branches, forest growth, debris, roots, stumps, or other natural objects or man-made objects that are incidental to the provision or maintenance of a ski facility in New York State. New York State law imposes a duty on you to become apprised of and understand the risks inherent in the sport of skiing, which are set forth above, so that you may make an informed decision of whether to participate in skiing notwithstanding the risks. New York also imposes additional duties upon you, to which you must adhere, for the purpose of avoiding injury caused by any of the risks inherent in skiing. A complete list of these responsibilities are posted at the area under the New York State Industrial code rule #54 (safety in skiing) If you are not willing to assume all of these risks and abide by these duties, you must not participate in skiing at this area.

Willard Mountain strongly suggests the use of a helmet at all times while skiing and riding.

Skier Rental Agreement & Release of Liability: I understand that the skiing equipment being furnished forms a part of or all of a ski-boot-binding system which will NOT RELEASE at all times or under all circumstances, and that it is not possible to predict every situation in which it will or will not release, and that its use cannot guarantee my safety or freedom from injury while skiing.
